

A world of opportunity
for disabled people

Services for disabled people

Disability Resource Centre provides services to all disabled people in Birmingham, Solihull and the West Midlands.

We run many training courses, activity classes and support groups. They are free and easy to join at any time.

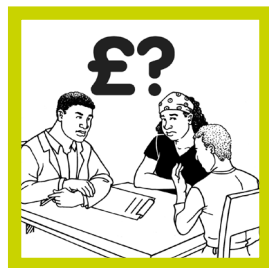

We help disabled people to take control of their own lives, find opportunities and reach their potential.

Our advisors can help you to look for work. Come along to our Job Club at our Information, Health & Wellbeing Centre, every Thursday 1pm - 4pm.

Our Disability Information Service is available to everyone. We also support people who are in debt to sort out their money worries.

Would you like to be a volunteer? Get in touch with our Volunteer Service.

We have a Counselling Service for people who need a friendly and sensitive counsellor.

Disability Resource Centre offers many other facilities and services. Please contact us to find out more.
